AN EASY WAY TO EARN \$1,250 or MORE FOR YOUR SCHOOL

EFFORTLESS! No inventory, already organized

RISK-FREE! No deposit, no fees, just straight profits

FAST! 3-day campaign, less than a couple of hours of your time

PLUS... the program provides an excellent educational experience for your students and a wonderful shared family activity that integrates school and community.

It may be the end of the school year, but you can still plan ahead for the next year's fundraising programs.

KENDAL KANE'S MAGIC ZONE, "America's Favorite Family Magic Show", would like to give your community an opportunity to experience an amazing family event...PLUS raise in excess of **\$15,000!** These profits will be shared by 6 schools in your district. You may wish to be one of these schools.

We have developed an extremely simple plan that will enable families to purchase their tickets to the show through your school. By so doing, they'll save up to 50% and your school will receive half the ticket price.

The program has been designed to directly involve your school in several ways. Prior to the performance, your students will enjoy a special presentation of Kendal Kane's **ART OF ILLUSION**, an excellent assembly program which includes an educational study unit and is available *Art Starts in School* at a cost of \$350. Participating schools however, will receive this program FREE.

As well, staff and students of your school may be among the many audience volunteers invited onstage to participate at the **MAGIC ZONE SHOW**, and two of your students will receive a copy of our *SECRETS OF MAGIC* instructional video and MAGIC ZONE SHOW T-shirt.

We've worked very hard to develop a WIN-WIN program that can work alongside other fundraisers you may be currently involved in s it is completely unique and involves no effort on your part. However, due to seating this opportunity is limited to six participating schools in your district.

Call me TODAY to find out more about this wonderful program and secure your spot at **214-300-5382**.
